

THE JOHN BOLTON

In February 2024, we had the sad news that John Bolton, a member of Somerset ASA, had passed away suddenly.

John, like many of us, came into the sport to support his daughter and became treasurer of Dorset county. He also helped set up the website for South West region. Latterly he joined Somerset ASA and worked tirelessly, setting up communication systems and advising on governance.

He was always very knowledgeable and kept abreast of all the latest developments in swimming. The county website and news feeds kept us all informed about the county news and from further afield. He always seemed to know when our swimmers were swimming, even if this was in some relatively obscure event and had a report on it. Even when swimmers had left the county, there was still an honourable mention. He was across it all.

We extend our sympathies to John's family and those that he worked with and supported. In his memory and in recognition of his contribution to our sport, we created a development meet that John would have approved of, one for long distance development of our developing swimmers. Thank you John for everything you did for our sport. Let the competition begin!
