Warm up Rules & Procedures

Coaches, team managers and competitors are asked to cooperate with these procedures to give every competitor the best opportunity to prepare for their events.

In the interests of competitor safety, the following pool procedures & rules must be observed throughout the warm-up. Please ensure all your competitors are made aware.

THE RULES & PROCEDURES

1. All lanes will start with generic swimming for approximately 10-15 minutes.
2. During the generic swimming session feet first entry only is permitted.
3. Competitors exiting the pool at either end of the pool must exit from the side and not over the timing pads.
4. Towards the end of the generic swimming session, lanes will be opened one by one for the purpose of dive starts & sprints.
5. Once a lane is opened for dives & sprints all competitors must exit the pool from the sides.
6. Paddles & fins are not permitted in the pool during warm-up or swim down.

Thank you.
