

Skills Coach Job Description and Person Specification

Somerset ASA is committed to supporting Coach Development across the County and as such is appointing three Skills Coaches within the County Development Programme. Successful applicants will have the opportunity to improve skills, increase confidence and take the next step up the Swim England coaching ladder.

Responsible to the CDP Head Coaches

This document sets out the main aspects of the role, but it should not be taken as a description of the role in its entirety. This role carries a high level of visibility and responsibility within Age Group and Youth swimming across the County. The Skills Coaches will work with the Head and Deputy Head Coaches in delivery of the CDP to ensure a good level of success for all swimmers across the programme.

The role of Skills Coach is for all 3 terms of the 2026/2027 programme, but we will consider job sharing between suitable candidates.

Main Duties

- To play an active role within the CDP Delivery Team in the development and delivery of the 2026/27 CDP Programme:
 - To attend all 9 CDP sessions (dates below) at Millfield Senior School;
 - To work with the Head Coach and Deputy Head Coach to deliver session plans;
 - To communicate effectively with athletes and staff; and
 - To contribute to the delivery of 'Added Value' sessions.
- To provide a safe and inclusive environment for all athletes and workforce.
- To be aware of and understand fully the Risk Assessment, facility Emergency Action Plan and Operating procedures.
- To follow and promote Swim England Safeguarding policies.
- To exhibit British Swimming and England Programmes Coaching Principles during coaching practice: Setting Direction, Staying Connected, Engaging People, Delivering Results and Credibility.

Essential Qualifications and Criteria

- A desire to develop your coaching skills and experience.
- The ability to reflect on and adapt your coaching practices in a dynamic environment.
- A passion for offering opportunities for development to athletes across the county.
- Good communication skills.
- Energetic with a high level of motivation to learn.
- The ability to motivate and enthuse others.
- Valid SE DBS and Safeguarding certificates.
- Knowledge and understanding of SE Wave Power document.
- Full and comprehensive insurance policies for professional and public liability with a reputable insurer (eg IOS or BSCA) or a commitment to obtain such for CDP.

Desirable Qualifications and Criteria

- Existing Coach/Assistant Coach from a Somerset ASA Club;
- Level 1 Swim England Swim Coaching/Teaching or equivalent qualification; and
- Actively involved with the coaching of Age Group/Youth swimmers in their current club.
